ECHO & MAC Craft Sale

NOV. 15 & 16

We had eight ECHO & MAC crafters at our sale, and it was a great success! There was a raffle for gift cards from Mila & Paige and from Carlos O'Brians, as well as snacks & FREE COFFEE. Sales were excellent and all the crafters had customers. There were some guests on top of a good turnout of ECHO & MAC members and friends.

November Highlights

Brought forward from October to November 8th, Shirley Allan guided us in Five Step Painting featuring the Northern Lights. We had one session with our professional artist Sandra Bowen, our expert in Mixed Media. Water colour specialist James Koll presented two classes, using warm & cool colours.

December

In addition to two sessions of Mixed Media with our professional artist Sandra Bowen, we will celebrate Emily Carr's December birthday. There will also be a bee -in the Animal Portrait, that is! And on the 20th, we will hold our Holiday Potluck Lunch. There are no submission dates in December, as we'll take a bit of a break.

November MAC Meeting

For the November MAC meeting, we chose more artists to study (Donna Dewberry, Judith Leyster, Artemisia Gentileschi—some research will be needed for this one!), and came up with more animals to draw including bees, ladybugs, racoons and possums. We also held the volunteer recognition for July to September.

Fantasmajorica

At The Network Hub

Continuing until February, New West Artists is presenting Fantasmajorica at the Network Hub, 2nd floor of the New West Quay Market. Seven MAC artists are participating. The Network Hub is open weekday afternoons.

November 19

The BC Non-Profit Housing Association Conference

For our second year of participation in this show, MAC artists sent some large canvases & several small pieces. MAC had a booth along with other art organizations and sold lots of art cards.

Burnaby Artists Guild Host Fall Show, 'Picture This!'

It was a wonderful show, even though there was lots of competition from other activities going on at Deer Lake Park. And Lem sold his painting 'Alley in France'

Society Corner

We are preparing for our application to the Province and their Community Gaming Grant program. This will be our third year of applying, so we are hopeful for a good outcome!

For the first time, MAC applied to the City of New Westminster for help with the costs of our Braid Street Show. A decision will be received in January.
